For crackle pieces the use of sealing and protecting products similar to the ones used for protecting polished natural stone is advised. Amadis recommends Fila MP/90.

Para el azulejo craquelado se recomienda utilizar productos de sellado y protección similares a los que se utilizan para piedra natural pulida. Amadis recomienda Fila MP/90.

Для плитки с кракелюрами рекомендуется использовать защитные средства, которые используются для натурального полированного камня. Amadis рекомендует использовать защитное средство Fila MP/90.
